Dear Sir or Madam:

The Beaverton Lions Club, as a partner participant, supports the efforts of Northern Transformation as the lead applicant in seeking the Promise Zone designation in our area. The goals of the Promise Zone of helping to promote the local economy and overall quality of life are clearly in line with the goals of the International and Beaverton Lions Clubs. Being a service organization, we have seen the needs of residents in our area increase as the economy has struggled.

The Beaverton Lions Club looks forward to finding ways to work with the Promise Zones initiatives to revitalize our area. Our major projects include assisting residents with eye care needs and helping struggling families at Christmas with our Adopt-A-Family Program. We also support many other projects in the community and we will work with the Promise Zone initiatives in any way we can to help to revitalize the area.

Sincerely,

Brian Rowland
Beaverton Lions Secretary
