

Federal Grants applied for/awarded to COOR-ISD since September, 2013.

In addition to the education grants that are funneled down to ISDs, we have applied for the following federal grants:

- US Dept. of HHS/Health Resources and Services Administration (HRSA)/Maternal Child Health Bureau – awarded a 5-year grant beginning in 2011. We receive \$49,551 in federal funds per year to which we must secure a 2:1 in-kind match per year. The grant operates an early literacy evidence-based program known as Reach Out & Read.
- May, 2012 – applied for and did not receive funding through US Dept. of HHS/Administration for Children, Youth and Families; titled, *“Child Welfare-Early Education Partnerships to Expand Protective Factors for Children with Child Welfare Involvement”*.
