Mark Berdan
Northern Transformation

2389 S. M-76
West Branch, MI 48661

Dear Mr. Berdan,

Please add my name to the roster of Individual Supporters applauding the efforts of Northern Transformation – the lead applicant seeking Promise Zone Initiative designation on behalf of a Consortium of Partners serving Arenac, Clare, Gladwin, Iosco, Ogemaw and Roscommon counties.

Doing business as Pamela Burke LLC, I provide contractual grant search, grant writing and technical assistance to charitable efforts across central and northern Michigan. In that work,

I recognize the great many challenges that impact charities striving to serve an all rural area that includes a great many persons on fixed and low incomes, limited public transportation and few employers.

At the same time, the proposed Zone area has a wealth of natural attributes and a Consortium of folks willing to work together toward a common goal.

Please add me to your email and mailing lists. I look forward to your many successes!

Sincerely,

Pamela Burke LLC
