

# St. Helen Chamber of Commerce

Dear Promise Zone Team,

As the President of the St Helen Chamber of Commerce, we support the Promise Zone initiative towards a better quality of life for our area. The Chamber hold yearly events to help bring people to our area. We have the annual Pig Roast/lunch, ORV Jamboree, Winter in St Helen, Christmas with Santa and many other gatherings.

The Richfield Township in Roscommon is where we are located and hard times have hit our area as in others. We have so much potential to offer. Our lakes, the off-road trails, snowmobiling trails and the beauty of being up-north are the draws to our area.

Your designation will help our local businesses, job growth and the quality of life for all.

Thank you for all that you are doing for everyone.

Very truly yours,

Bev VanMeter
