Subject: Promise Zone Partner: Be Blessed

To: Northern Transformation Organization

Re: Promise Zone Initiative

From: Be Blessed: a non profit Organization in Ogemaw County, Prescott Mi., located at 4321 Greenwood Rd. Prescott Mi 48756

and it's Director Beverly Gibson

I and my organization, Be Blessed, would like to Partner with this organization and initiative, to see economic growth in our area. This particular section of Ogemaw County has a poverty rate of I believe at least 35% and I believe it is actually MUCH higher.

My organization would personally like to see help offered these lowest income families in the form of low or no~cost clothing and or household items, and a few employment opportunities, as well as see some of the proceeds help the extremely impoverished in refugee camps across the world.

This area is in need of jobs above all, and I hope that this initiative can help to see more jobs brought into the area. I Thank You for your efforts to achieve this initiative and lend my support.

Thank you!

Beverly J. Gibson
