Northern Transformation

RE: Promise Zone Initiative

Dear Sir:

Northeast Michigan Affordable Housing, Inc. covers 11 counties in our service region. Out of these regions the counties Arenac, Ogemaw and Iosco are under the Promise Zones. We are the third party administrator for Ogemaw & Arenac County and the City of West Branch for their Home Improvement Program.

Our agency and county program support The Northern Transformation efforts in the Promise Zone Initiative as a Participating Partner.

Our goal is to provide decent, safe and sanitary living to residents of county of Ogemaw & Arenac through the county home improvement program. These programs have guidelines which are approved through the Michigan State Housing Development Authority. The program is income base on size of household.

We recognize and support that the Promise Zone Initiative designation will and can bring funding to the residents for better housing for the community that our agency serve.

Sincerely

Lee Ann Fischer  
Senior Program Manager
