Northern Transformation
2389 S. M-76
West Branch, Michigan 48661

Dear Promise Zone Review Committee:

Oscoda Area Schools is pleased to offer support of your efforts to achieve Promise Zone status on behalf of a consortium of partners serving Arenac, Clare, Gladwin, Iosco, Ogemaw, and Roscommon counties.

Our school district is located in Iosco County. Many of our students are impacted by poverty, and struggle to achieve academic success. We believe that receiving Promise Zone status for our rural area will help to create jobs, increase economic activity and improve educational opportunities for all of our students and families.

The Oscoda Area School district welcomes the opportunity to work together with Northern Transformation and its partners to help improve the economic climate of our area and to increase the educational opportunities available to our students.

Sincerely,

Scott M. Moore
Superintendent
