Dear Promise Zone Committee:

It is with great pleasure that the Roscommon Area District Library supports your organization and its efforts to achieve Promise Zone status. The mission of the Roscommon Area District Library is to provide to all people free access to informational, educational, recreational, and aesthetic resources to promote community enrichment in a warm and welcoming atmosphere.

This designation will help increase job growth and improve the quality of life for people in our area. Roscommon has 62 % free and reduced lunch rate which demonstrates that poverty is a major concern for Roscommon county. We look forward to your success in obtaining Promise Zone status and to helping our area improve the quality of life for our citizens.

Sincerely,

Roscommon Area District Library
